

## EMPLOYMENT

WANTED: FULL TIME maintenance assistant for major Long Island recording studio. Experience a must! Send resume to: P.O. Box 192, East Norwich, NY 11732.

ENGINEERS/TECHNICIANS—Expanding NYC re-recording facility has opportunities for experienced maintenance engineers/technicians and recording engineers. Dept. 101, db Magazine, 1120 Old Country Road, Plainview, NY 11803.

POSITION WANTED. Experience in studio recording, live reinforcement, video work, and audio installations. Seeking position as recording engineer soundman with a good sound company or with a professional equipment company. Good, hard, efficient worker. Eddie (205) 263-6353.

AUDIO SYSTEMS ENGINEER—Altel Sound Systems Inc., a leading audio systems company, furnishing audio systems nationwide, has openings for experienced audio systems engineers. The ideal candidate should have a B.S. in Electrical Engineering with a minimum of five years experience in design, administration, and site implementation of large audio sound systems installed in stadiums, amphitheatres, corporate buildings, cathedrals, racetracks, airline terminals, etc. Positions also available for recent B.S. graduates and electronic draftsman. Please send resume in strict confidence to: Dept. 121, db Magazine, 1120 Old Country Rd., Plainview, NY 11803.

 offers an outstanding opportunity for creative  
**Development Engineers** to join us in extending  
the state-of-the-art in  
**Loudspeakers Microphones Phonograph Cartridges**

Work with the leaders in the field of consumer and professional audio products, known for excellence in quality and reliability.

We offer excellent opportunities for individuals with a BSEE or BSME and experience in electromechanical and/or electroacoustical transducer design.

We are expanding and seeking to fill highly visible positions in the areas of speaker, microphone and phonograph cartridge design and development.

We offer an excellent starting salary and company benefits as well as an ideal location in a Chicago North Shore suburb known for its superb educational and cultural environment.

Send your resume in confidence or call:

**Jack Shea (312) 866-2236**

Shure Brothers Inc., 222 Hartley Avenue, Evanston, Illinois 60204

An Equal Opportunity Employer for Decades
